

Financial Resources: Farm/Agricultural

- **COVID-19 Resources** – Upper Midwest Agricultural Safety and Health Center has a page dedicated to the virus. Scroll down to “Regional Resources” to find the section dedicated to Wisconsin.
- **COVID-19: 5 Things Your Farm Should Do Now** – Farm Journal’s Pork publication has tips that are helpful to all agricultural businesses.
- **Coronavirus (COVID-19) and Farms** – Extension’s Farm Management page has up-to-date resources available to farms.
- **COVID-10 Toolkit** (PDF, 3 pages)- The Wisconsin Department of Agriculture, Trade and Consumer Protection created this kit to serve as a resource for agricultural organizations as they prepare for potential impacts of COVID-19 on their business operations. **Note:** This PDF is updated frequently.
