### Session 2

Walking strong is a three-webinar series focused for dairy workers and they are offered in Spanish (session 1 and 3) or English (session 2). Join us on May 18th for our second session as we learn more about infectious claw diseases in dairy cows.

### Program:

**Prevention of infectious claw diseases in robotic farms**  
*Dorte, Döpfer, DVM, PhD, UW-School of Veterinary Medicine*

**How to manage a foot bath**  
*Aerica Bjurstrom, Agricultural educator for Kewaunee County, UW-Madison Division of Extension*
