Eau Claire County's 4-H Newsletter

4-H is a community of young people across America who are learning leadership, citizenship, and life skills.

Hello 4-Hers,

A reminder that this is the last month that we will use last year's enrollment data to send the newsletter. If you have not enrolled in 4Honline, please do so! Go to: <http://wi.4honline.com> and re-enroll so you can get information about project offerings and county-led programming.

We are collaborating with other counties to provide programming such as the International Cookie Camp. (We had 70 young people on zoom last Tuesday to make South African Chocolate & Black Pepper cookies. They're delicious—reminds me of Mexican hot chocolate.) Please consider joining us for the next offerings. We hope to offer programming on Photography, Art, and STEM in the coming months. If you want to participate, but internet access is an issue, please contact me and we can discuss options.

I am including in this issue a newsletter piece that is geared toward "new families" on pages 10-11 that focuses on thinking about the 4-H pledge. I think it could be useful for everyone, not just new families. Please use it to think about what your child likes to do or use it as a leader to help guide your discussions about what your club wants to do this year.

I am sorry to say that we have made the decision to cancel Winter Camp for this year. It is not practical or safe to plan for an overnight event with multiple counties. We are starting to have conversations about summer camp. Stay tuned.

I know that this year is full of "new" and "not normal." Thank you to the 4-H adult and youth leaders that are continuing to engage and do activities with your clubs. Thank you to the families that continue to show up. I know that this is not easy. Please feel free to contact me with how things move forward.

I hope you all have a safe and stress-free and AMAZING holiday.

All the best,

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act

The Wisconsin 4-H Foundation is pleased to announce that we are **extending the deadline for the Foundation Art Contest until January 1, 2021**. We would appreciate any promotion you can do for the contest. To remind you the contest is open to ANY Wisconsin 4-H member. For more information go to: [Wis4HFoundation.org/events/celebrate-the-arts/](https://wis4hfoundation.org/events/celebrate-the-arts/). A winner will be chosen in each category with a Best of Show award given to one entry chosen by the judging committee. Category winners will receive a \$100 cash award. The Best of Show entry will receive an additional \$150 cash award.

Although the contest is virtual, **the winning art piece from each category and the Best of Show must be delivered to the nearest 4-H Office or the Wisconsin 4-H Foundation. The winning art pieces will become the property of the Wisconsin 4-H Foundation to be used to raise funds for 4-H arts and communication programs and will not be returned.**

The contest will be broken into eight categories:

2021 Wisconsin 4-H Foundation Scholarship Applications Now Being Accepted

(December 8, 2020, Madison, WI) The Wisconsin 4-H Foundation will award more than \$15,000 in scholarships to outstanding Wisconsin 4-H members and alumni pursuing higher education in 2021. To be considered for financial support, applications must be received by the Wisconsin 4-H Foundation via email by Monday, March 15, 2021.

Wisconsin 4-H Foundation scholarships are awarded to students based on demonstrated personal growth through 4-H, development and leadership in 4-H, academic performance and future educational goals.

To be eligible for Wisconsin 4-H Foundation scholarships students must have been a Wisconsin 4-H member for at least three years; have a grade point average of at least 2.5 on a 4.0 scale, and be enrolled or planning to enroll at a university, college or technical school during the 2021-2022 academic school year. Scholarship winners from previous years are not eligible to receive a second 4-H Foundation scholarship.

The application is a one-page resume and a one page cover letter, both of which give the 4-H youth a chance to share their 4-H achievements, as well as their future plans. Applicants are asked to treat this process as if applying for a job.

Cover letters and resumes must be submitted as one PDF document and emailed to scholarships@wis4hfoundation.org. For detailed information about what to include in and how to prepare the application documents, 4-H youth can visit www.Wis4HFoundation.org/scholarships.

A panel of experienced youth educators will screen the applications and select finalists. Applications chosen as finalists will be ranked by a second panel comprised of 4-H and youth development experts. The 4-H Foundation will assign available scholarships to the top-ranking applications based on scholarship criteria.

Applicants who are awarded scholarships will be notified by postal letter and email in May.

Alyssa Frisch received a \$2,000 WI 4-H Foundation scholarship in 2020 to study mechanical engineering. She was a member of the New Directions 4-H Club in Columbia County.

Micah Stege received a \$2,000 WI 4-H Foundation scholarship in 2020 to study landscape maintenance and arboriculture. He was a Washington County 4-H member.

What does 4-H stand for?

Head, heart, hands, and health represent the 4 H's. Each meeting begins with a recitation of the Pledge of Allegiance, followed by the 4-H Pledge. While the 4-H pledge has a very direct meaning for our 4-H clubs and members, there are additional ways that adults can apply the pledge before, during, and after club meetings and events.

I pledge

My head to clearer thinking

It's normal for youth to have questions or be unsure about things. Give your youth the information you can to help them see things clearly and make wise decisions.

HEAD

HEART

My heart to greater loyalty

Success is awesome. Failure is inevitable. Encourage and support all youth, especially your own, through successes and disappointments.

My hands to larger service

While our certified 4-H volunteers are awesome, they have limits as well. Help your family's club in whatever way you are able. If you don't have the time to be a volunteer, you can help in many equally important ways. If you do want to learn more about volunteering, contact the Extension Office!

HANDS

HEALTH

My health to better living

In addition to doing all we can to keep our youth physically healthy, it's important that we provide a space and time that is physically, mentally, and emotionally safe. Without a safe space, youth are not likely to have a positive experience.

for my club, my community, my country, and my world.

4-H does not happen without supportive adults serving as positive role models. Stay involved as a family as best as you can; it makes the experience much richer for everyone. The more successful our 4-H members are, the more impactful they are upon the world around them.
