## Eau Claire County's 4-H Newsletter

*4-H is a community of young people across America who are learning leadership, citizenship, and life skills.*

Hello 4-H folks,

Phew! It was a busy July. Farm Technology Days plus the fair was a LOT for all of us.

Thank you to all of you who volunteered at the Food Stand or in the Youth & Career Discovery Zone at Farm Technology Days. It was a great event! Since I announced that there were 6,000 people who went through our "zone," they increased the estimated numbers to 10,000. Long story short, we were busy! (I loved it.)

Thank you also to all of the volunteers who helped make the Eau Claire County Fair happen last week. 4-H wouldn't be the same without the Fair. And, the Fair wouldn't happen without the Fair Committee, Friends of the Fair, and the Fair Coordinator (Debbie Kitchen.) Way to go, team!

We are getting ready for programming in the fall. I am planning on offering a "Discover 4-H" experience in collaboration with Chippewa and Dunn Counties again this fall. See the initial promotion for that on page 8. Boxes will be limited so sign up early.

I have sent an e-mail to all club leaders about changes to the Chartering process, but I don't know all of the treasurers. There will be a "finance report" due to the Extension Office on September 1. Charter applications will be through an online form (or paper form) by Nov 1. Please check in with me if you have questions.

We are setting plans for the fall. Please note that record books will be due to the Extension Office by the September 14 meeting. The banquet date has been set for Nov 13 at the Pleasant Valley Town Hall. Please note those dates on your calendars.

Fall Forum is Saturday, November 6 at the Green Lake Retreat Center. Fall Forum is an amazing opportunity for youth or adults to share their learning and inspire others. If you have a session that you would like to lead, please fill out this form: [Session Submission Form](#) by August 15. And, please plan on attending Fall Forum. Young people and adult volunteers are welcome to participate as attendees, too. Many of my colleagues say that it is their FAVORITE 4-H event out of the year.

Enjoy the last month of summer and prepare for the onslaught of garden produce! I'll be planning a food preservation workshop, soon... Keep your eyes open for it.

Have a wonderful end to your 4-H year!

## Collaborate with Highground Veterans Memorial

The Highground Veterans Memorial Park in Neillsville, WI will be hosting a "WWII Pacific Theater" exhibit December 2021-March 2022. They could use our help, either as a club or an individual family.

1. Learn about the story of Japanese girl who folded paper cranes that are now a symbol used throughout the world for "peace." Fold Paper Cranes using the **instructions on the following two pages**.\* Drop them off at the Extension office by Nov 1. They will be displayed throughout the exhibit in the traditional strings of 40 birds. Donating groups will be credited. (We have 40 to donate from camp, but I would love to send more.)
2. Create a fact sheet or poster display on the following: The experiences of the Japanese that were in America at the time of WWII ( the Japanese internment camps that were in the U.S.), Japanese civilians that were affected by the bombings of Hiroshima and Nagasaki; U.S. military personnel that fought in the Pacific Theater (maybe someone from their hometowns). These would be displayed and would be a great way to connect with the Highground's visitors and learn more about this unique part of our history.

\*If you need origami paper, please contact me. I have some in the office.

# PEACE CRANES

Discover the story of Sadako Sasaki, a Japanese girl who became renowned for her incredible achievement of folding 1600 origami cranes despite suffering from terminal leukaemia caused by the radiation from the Hiroshima atomic bomb. This activity allows you to reflect on war and peace in the world today, whilst learning to fold origami peace cranes like Sadako did.

**TYPE:** Craft

**AGES:** Elms, Pioneers, Venturers  
(6 - 15)

**TIME:** 10 - 20 mins

**PEOPLE:** Individual / Household

**TOPIC:** Peace

**RESOURCES:** Paper

## Sadako's Story

Sadako Sasaki was a Japanese girl born in 1943, in Hiroshima. She was two years old when the USA dropped an atomic bomb on Hiroshima, on 6th August 1945 as part of the second world war. Sadako wasn't directly injured by the bomb, but nine years later she was diagnosed with leukaemia, a type of cancer – a disease that was caused by her exposure to the radiation from the bomb. Nowadays most people survive leukaemia, but in 1954 most people did not. The cancer got worse very quickly and Sadako had to stay in hospital.

Her father told her a Japanese legend: if you fold one thousand paper cranes you will be granted a wish. Sadako started to fold them – she was tired and ill and paper was hard to come by, but she managed to fold 1000. She wished that she would get home soon and that her parents' debts from buying her medicine would disappear. Then she started to fold another 1000 but she only managed to fold about 600 before she died.

Sadako's friends wanted to make sure she was remembered, so they collected money to build a statue of her. In 1958, a statue of Sadako holding a life-size golden crane was built in Hiroshima Peace Park. It is called the Children's Peace Monument. At the bottom of the statue there is a plaque that says: 'This is our cry, this is our prayer, peace in the world.'

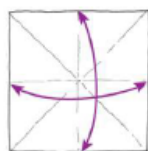

Sadako's story is now known around the world, and she has become a global symbol of hope, of child victims of war and of peace. People all over the world fold their own paper cranes and wish for peace in the world and that no more children will die or be injured in war.

# Instructions

1. Start with a square piece of paper, fold it in half to make a triangle, then open out and make a triangle the other way. Open the paper flat again and turn it over, fold in half first to make a wide rectangle and then a tall rectangle. Make all the creases very sharp and precise. Open it out again.

2. Bring the 4 corners together, using the folds you have made to form a flat square shape. There will be one end which is open and where all the corners meet, this should be facing you.

3. Fold the side corners to the middle and the top corner down to make sharp folds. Open it out back to the square.

4. Lift up the top layer of the bottom corner and bring it high up, tuck the sides of that layer in to form a long diamond shape on top of a square behind. Turn over and repeat step 3 and 4 on the other side. You should now have a long diamond shape with 'legs' facing you.

5. Fold the top layer into the centre, turn over and do the same on the other side. Then do a 'book fold' – take your outside corners and bring the top ones forward and the bottom ones back. You are left with a shape that looks like a wolf.

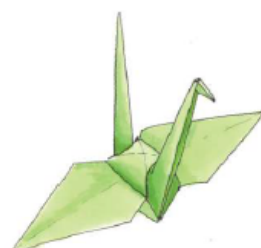

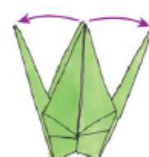

6. Turn the top layer of the wolf's nose up to the tips of its ears, turn over and do the same on the other side. These will become the crane's neck and tail.

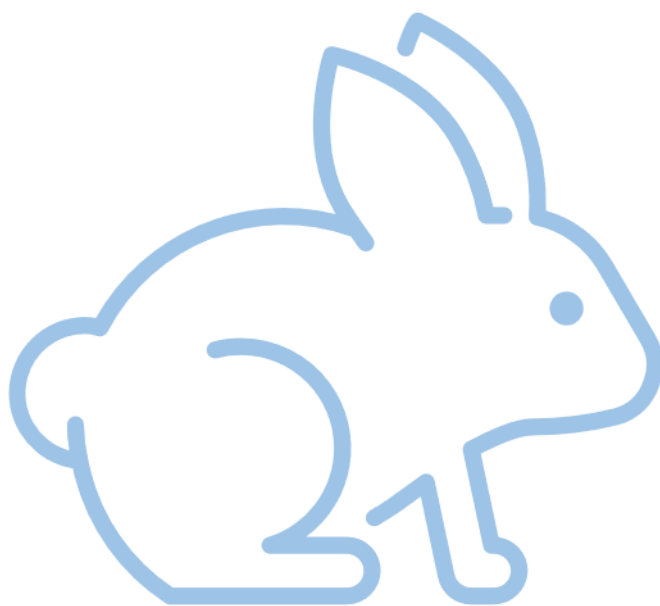

7. Now do another book fold. This folds the neck and tail inside the wings.

8. Pull the neck and tail out and redo the crease at the base of the crane to hold them in this position. Now fold one end down to form a head, and fold the wings down.

9. Open out your crane gently and it is ready to fly.

# 2021 Wisconsin Make It With Wool Competition

Published on June 14, 2021 by [Kara Loyd](#)

## 2021 Wisconsin Make It With Wool Competition

The Wisconsin Make It With Wool competition is a sewing and fashion design competition using wool or wool blend fabrics to create clothing and novelty items that showcase the beauty and versatility of wool.

The competition is open to all Wisconsin residents and will take place at the Wisconsin Sheep and Wool Festival on Saturday, September 11, 2021. There are two competitions to enter.

### Garment Competition

Contestants select, construct and model their garments at the Make It With Wool Style Show. Garments may include a dress, jumper, jacket, coat, cape, shirt, vest, sweater, skirt, pants or shorts. Entries are split into age divisions and are judged on appropriateness to contestants lifestyle, construction quality, coordination of fabrics with style of garment, creativity, and wool promotion/marketability. Fabrics and yarns must be tested prior to the competition and must be at least 60% wool to qualify for the contest.

### Novelty Competition

Contestants can create a wide variety of items using wool in this category, including but not limited to slippers, purse, scarf, shawl, hat, mittens, rugs, quilts.

Entries must be postmarked by August 8, 2021.

For complete rules and entry forms, visit [www.wisconsinsheepandwoolfestival.com](http://www.wisconsinsheepandwoolfestival.com) Click on 'Competitions' and select "Make It With Wool" from the dropdown menu. Contact state director Becky Mehringer for more information or with questions.

# Record Books

Record books will be due to your club leaders in August!

Historically, an achieving 4-H member:

1. Attended at least four club meetings
  2. Presented a public demonstration
  3. Presented a public exhibit
- Submitted a completed record book

The Leaders Association met in June and has voted to waive the requirements of achievement except submitting a completed record book. For the 2020-2021 4-H Year, the number of meetings, a public demonstration, and public exhibit requirements are waived.

To be an achieving 4-H member in 2020-2021:

1. ~~Attended at least four club meetings-~~
  2. ~~Presented a public demonstration-~~
  3. ~~Presented a public exhibit-~~
- Submitted a completed record book

Club leaders are to turn record books to UW Extension by Tuesday, September 14 for county level nominations and 3rd through 5th grade and 6th through 8th grade record book awards. A nomination form should be in each submitted record book.

Record book forms can be found at <https://eauclaire.extension.wisc.edu/4-h-forms-documents/>

These links aren't working. If you would like a copy that has working links, please contact Andy at the Extension office and he will email you a copy.

## **Wisconsin Farm Technology Days 2021 Will Award 3 Scholarships To Eau Claire County Area Students**

EAU CLAIRE, WI (May 27, 2021) —Wisconsin Farm Technology Days 2021 today announced that three scholarships are available to Eau Claire County and surrounding area students for post high school agricultural training. While applications are due by August 20, 2021, all candidates must participate in the Eau Claire show that will be held July 20-22, 2021 at Huntsinger Farm, the largest producer and processor of horseradish in the country.

The three scholarship awards are for \$2,000, \$1000, and \$500 respectively among qualified applicants who have participated in Farm Technology Days since planning began.

Students interested in applying for the scholarships who have not yet participated in any of the planning for the Eau Claire show can find volunteer opportunities at <https://www.wifarmtechdays.org/volunteers>.

### **Eligibility Requirements:**

- Applicants must take post high school agriculture related training, long or short course within the University of Wisconsin System or Wisconsin Technical College System. (This includes the study of Genetics, Landscape, Architecture, Biochemistry, Bacteriology, Food Industry, Horticulture, Environment Sciences, Agriculture Journalism, and other agriculture related fields of study.)
- Candidates for the scholarships must be an Eau Claire County or neighboring county resident and attend school in one of those counties. Neighboring counties are Chippewa County, Clark County, Jackson County, Trempealeau County, Buffalo County, Pepin County, and Dunn County.
- Candidate must be planning to enter their senior year of high school or 1st year of college at the time of application in the fall of 2021.
- Candidate rank in the upper 50% of the class preferred with a minimum grade point of 3.0. Please attach high school transcript with the application.

-more-

- Candidate must have participated in the Eau Claire County Wisconsin Farm Technology Days activities at some time during the period of 2018 through 2021.

Full [requirements](#) and application [form](#) are available at <https://www.wifamtechdays.org>.

### **About Wisconsin Farm Technology Days**

Wisconsin Farm Technology Days is a three-day outdoor event showcasing the latest developments in production agriculture, including practical applications and recent research and technological developments. This is the only farm show of its size in the United States that is organized and run entirely by volunteers. As the largest outdoor agricultural event in the state, it welcomes more than 45,000 attendees, with more than 600 commercial and educational vendors. The first WFTD show was named Farm Progress Days and was held in Waupaca County in 1954.

### **About Agriculture in Eau Claire County**

Agriculture works hard for Eau Claire County every day. Family-owned farms, food processors and agriculture-related businesses generate thousands of jobs and millions of dollars of economic activity while contributing to local income and tax revenues. Eau Claire County, though dominated by the dairy industry, raises everything from meat goats to milking sheep to apples, grapes and vegetables. The county has seen farm numbers rise, while farm acreage has declined to an average farm size of 155 acres. Migration from the city to rural areas has resulted in smaller farms producing a variety of products. A diverse population has created opportunities to fill ethnic and specialty food niches. Meanwhile, county institutions and farmers have joined forces to produce fresh, healthy products to meet a growing demand for local food.

# Virtual Learning Community Opportunities to Teach & Lead

## \*Virtual Learning Community – Opportunity to Teach and Lead in 2021

Across the Division of Extension we have been learning and improving our transition to virtual spaces. You haven't heard from the Virtual Learning Community since our Summer Virtual Learning Community, but Positive Youth Development in virtual spaces has continued to grow and develop. Since summer we've been building out virtual opportunities and had over 500 people registered for our first ever Virtual Fall Forum AND hundreds of volunteers registered and participated in our Virtual Annual Leader Trainings. In order to continue building out a community of learning around the state, **we need Youth Leaders and Adult Volunteers!**

Below are some commonly asked questions:

### **Why are we inviting YOU?**

We have BIG DREAMS:

- provide high, quality virtual opportunities for youth and families across the state, **Kindergarten-13<sup>th</sup> Grades and Adults**
  - involve **YOUTH and adult leaders, staff and community partners** in facilitating planned activities
- provide **additional promotion** for programs that are being offered across the state

### **What type of content are you looking for?**

We are looking for project area content, leadership trainings and open spaces for youth to engage and connect around other topics/areas of interest. If you have an interest or passion and are willing to share it with others, we'll help make it work in a virtual space.

### **Does the session need to be new?**

Nope. We know that many participants were just getting to know the calendar and as they did never attended all the sessions that might have interested them. Also, if you're like us, you've been learning and tweaking. If you have a program that you have already offered and are willing to offer it again, please do!

### **Can I submit more than one session?**

Absolutely! We all know that virtual programs are most effective in 40 minutes, so if you have too much content for one session, a series is great. We've also learned from our evaluation that participants enjoy seeing each other more than once and recognizing faces and names.

### **Is there a deadline to submit?**

Nope. Programs are needed ongoing! Submission dates are weekly. After you submit, sessions will be reviewed by a committee of youth leaders, volunteers and staff using our Positive Youth Development learning review process adapted for virtual learning.

### **I would like a little more information about Virtual Learning Community before I submit. Where can I go?**

Fair enough. With the lessons learned, we have a new submission process, facilitator support resources, a uniform registration process, evaluation process and a plan for promotion and marketing. Our website can be found at <https://4h.extension.wisc.edu/virtual-learning-community/>.

— Continued on next page

## Virtual Learning—Continued from pervious page

### Okay! I'm convinced. Where do I submit?

Submissions can be made at: [https://uwmadison.co1.qualtrics.com/ife/form/SV\\_2idXsm8tPCVGILz](https://uwmadison.co1.qualtrics.com/ife/form/SV_2idXsm8tPCVGILz).

With the easy to use back button, you can explore the submission form to learn a little more about the types of sessions and content.

### What happens after I submit?

Our committee will respond to submissions with a follow up e-mail or call to the primary contact within a week.

The Virtual Learning Community knows how important supportive relationships within youth development spaces are to creating community, valuing youth voice and empowering action in our communities. We are committed to ensuring that anyone who wants to find an engaging, educational, and FUN online connection will be able to do so easily. We hope you will help us make it happen.

*In closing, as we wrap up 2020, we want to celebrate so many of you for being a part of our programming. It has not been an easy year, but we appreciate all of you continuing to engage and “learn by doing.”*

*Looking forward to connecting with even more of you in 2021!!*

# Experience Upham Woods!

If you or your club enjoys being outside and wants an experience a little further from Eau Claire, you could consider traveling to Upham Woods.

Check out some of the things other clubs and groups have been doing in the August 2021 newsletter: <http://fyi.extension.wisc.edu/uphamwoods/woods-writings-newsletters/>

There are links for registration for other experience days. Let Rachel Hart-Brinson know if you have questions or want more information before you register.

## Day Visits from 4-H Groups

We were so happy to see a few of our regular summer 4-H visitors out this month for day visits onsite; camp is always better when it's filled with the sounds of youth learning, exploring, and having fun!

- **Walworth Co. 4-H** was a great group to go canoeing with, tackle some Peanut Butter Mountain team building, and hike around Blackhawk Island. It was great to see the group bonding and they even got to close out with a campfire.
- **Upham Neighborhood Camp (includes Columbia, Sauk, Juneau, Monroe, Richland)**: Although this group was only here for a day, they managed to have a ton of activities. They had archery, arts and crafts, Scales, Scutes, and Skins, canoeing, and even a Blackhawk Island hike.
- **Jefferson County 4-H**: This group participated in an outdoor survival program where they discovered the necessities for survival and built shelters. In the afternoon the group embarked on a canoe trip around Beaver Island and enjoyed the hot summer day on water!

Special thanks to these groups for making the effort to bring some Upham-style summer camp to their 4-Hers!

## Preparing for the New 4-H Year

The 4-H year officially begins in October each year. Even though the program year begins in October, 4-H enrollment begins in September. Counties in Wisconsin usually have an enrollment "deadline." This deadline can be the cutoff for determining who can represent 4-H at certain events.

No matter the date of your local deadline, re-enrolling in 4-H through the 4-H Online portal as soon as possible ensures that you receive all 4-H communications and other important program news.

### Adding, Dropping, or Keeping Projects

Enrollment is the perfect time to add or remove projects in your 4-H Online profiles. 4-H members usually continue with the same projects from the year before, and it's pretty normal to add one or two new ones as well! First year members are recommended to only select one or two projects for their first year. The second year of membership is a great time to pick between three to five total projects.

Work with your youth to see what projects they liked, didn't like, or want to learn more about. There is nothing wrong if your member decides to keep the same projects from the year before!

**Reminder:** 4-H members in grades K-2 can only be signed up for the Cloverbud project!

### Member Goals

On the opposite page, 4-H members are being challenged to write their personal 4-H goals for the new year. Setting goals can help with project selection, and it should help members plan out a path to success in the new 4-H year. See what goals your youth has chosen for the new 4-H year and identify ways to help them achieve those goals.

### Family Member Goals

Have those in your family set goals as well! Goals might include attending more club meetings, helping at 4-H activities, or participating in certain county events. Try to find ways to keep 4-H as a togetherness activity!

### Club Goals

Each year, 4-H clubs complete a Charter Renewal form. This form is usually completed by adult leaders and youth officers, but the charter might be talked about at a club meeting. Clubs are tasked with identifying club goals each year. Have your family brainstorm some S.M.A.R.T. goals for the club to strive for in the new year, such as planning an outreach event with a local community group or adding more welcoming activities for new families.

Have a minute? Please provide feedback by filling out this [5-question survey](#)

## Setting Goals

Every year, many people create New Year's Resolutions. These resolutions are **goals** for the new year. Fall is the beginning of the new 4-H year, which makes it the perfect time to set goals for about what you want to do!

### S.M.A.R.T. Goals

Goals are more likely to be successful when you give yourself something specific to aim for. Any of your resolutions for the new 4-H year should be S.M.A.R.T.

**Specific:** Goals should be well defined and clear.

**Measurable:** This will help you know when you've been successful.

**Achievable:** Be realistic! Think of things that will challenge you but are still doable.

**Relevant:** Your goals should be important to you. Set goals that you want to complete!

**Timely:** Give yourself a specific time frame to complete your goals.

### What are **your** goals?

Use this table to write goals that you want to accomplish in the new 4-H year. An example has been done for you. Notice that the example is S.M.A.R.T. See if you can find what parts of the goal are specific, measurable, attainable, relevant, and timely.

Project		Action (how)	Result (what)	Time (when)

Source: "Goal Writing Worksheet," Iowa State University Extension and Outreach, August 2013. Adapted by Ben Hoppe, Brown County 4-H Program Educator, UW-Madison Division of Extension.

**Tip:** Use verbs in the action column. Often, 4-H goals are focused on things you want to **learn**, results you want to **earn**, or things you want to **do**.

Exploring 4-H for New Families is developed by Heidi Vanderloop Benson, Chippewa County 4-H Program Educator and Ben Hoppe, Brown County 4-H Program Educator, UW-Madison Division of Extension.

## This Month's Meeting

### Maple Drive Boosters—July Minutes

We started our meeting at Avery Iverson's house with a swim in their man made pond. After everyone swam we all gathered and enjoyed pizza. Our meeting officially started with pledges and roll call. Lucia led roll call with the question of what everyone was enjoying most about this summer. The June secretaries report was read by Lucia and then approved by the club. We then moved onto the treasures report which was led by Karah and approved by members of the club. We then moved onto recognition where Anna was recognized for having her birthday, Katy for graduating and Iversons for hosting. We then moved onto old business where we discussed Farm Technology days and how to earn trip scholarships. We also discussed the fair and answered everyone's questions. Once old business was approved we moved onto new business where we went over our club outing ideas and what we would like to do. After old business Lisa shared her general leaders notes. We talked about how to be an achieving 4-H member and record books. Our meeting was then adjourned.

### Pleasant Valley Clovers July 2021 Meeting Minutes

The meeting was called to order by Allison and pledges were said. We sang happy birthday to Malayna and Emilia. Roll call was taken by saying one fair project you have done. Guest Gordy Petschow talked to us about the Formal Garden in Cleghorn Park that he landscaped in memory of his wife. He shared some specific plants and detailed how landscaping is a science and an art. 4H members were encouraged to join the garden group that is working on getting the garden in shape for Harvest Fest. The motion to accept the secretary's report was made by Emma and seconded by Connor. The treasurer's report was also read.

For old business we had reports on 4-H on the Air, Farmers Market, and the Northern Wisconsin State Fair. Members donated items to fill the laundry baskets for our silent auction donation. There was no other old business.

For new business, letters of intent to run for officer were due tonight. Any others should be emailed to Wendy. We planned the August meeting for Sunday, August 15th at 3:30 pm at the Community Center. Record books will be due. Officers will plan some games. Families should bring a picnic meal for their family. A motion was made by Emma for the club to buy ice cream for our August meeting and was seconded by Hannah. The club will serve concessions at the Rock Swap on Aug. 28th-29th. Cleghorn Harvest Fest will be Sept 10th-12th. The club plans to be in the parade, do park clean-up, help with kid's games, and possibly sell ice cream. Wendy will sign us up for the parade and talk to Pleasant Valley about working together for the games and ice cream. There was no other new business.

For the youth leaders' reports they talked about the OYC food stand and how to sign up. The adult leaders' report shared sign-ups for the Brat Stand they will have at the fair and other fair sign-ups. Bring ideas for next year's charter to the next meeting. Reminder that record books will be required to achieve in 4-H this year. Members were told to check fair entry tags for missing lot numbers.

The motion to adjourn the meeting was made by Cierra and seconded by Colin. There were no demonstrations. After the meeting, Lillian led us in singing Baby Shark.

## July 2021 Meeting Minutes Eau Claire Clovers 4-H Club

The Eau Claire Clovers 4-H Club July meeting was held at the Eau Claire County Fairgrounds, on July 11 at 4:00 P.M.

The energizer was minute to win it games. Beth then called the meeting to order and pledges were done. July birthdays were announced and attendance was taken. Members were sent the secretary's report from June before meeting to review. The secretary's report was motioned by Maddie and seconded by Neveya

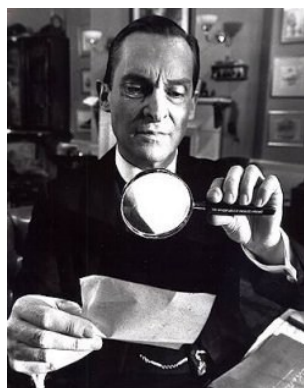

The treasurer's report was read and was motioned by Charlie and seconded by Neveya

In old business, thank you for members that signed up for volunteer work at fair and Farm Tech Days, but more are still needed. A reminder that platt books are for sale. And Beth talked about her experience geocaching at the last meeting. The old business was motioned by Maddie and seconded by Neveya.

In the new business, members should start their record books. The silent auction basket has been completed. Members have a chance to win a basket or other prizes during the fair. Fair tags were sent out to members. And the reminder to all competing members we wish you luck at this year's fair. Are you interested in becoming an officer? Please send an officer's letter of interest to Francine to be considered for next year's officers. reminder to please complete your demo if you haven't completed one yet. The new business was motioned by Neveya and seconded by Kendell.

Kendell motioned the adjournment of the meeting and Neveya seconded it. Beth then adjourned the meeting.

Cupcakes were given to members at the end of the meeting to celebrate graduates. (Thanks btw ;))

Where are your club's minutes? Why aren't they here? They can be!

Email them to Andy at [Andy.Heren@co.eau-claire.wi.us](mailto:Andy.Heren@co.eau-claire.wi.us) by the end of the month to have them included in the *Clover Leaves*!

Classes -Education – Pen of 3 Commercial Carcass Competition

Membership in Wisconsin Sheep Breeders Co-op required.

To join: Go to [www.wisbc.com](http://www.wisbc.com) – Membership Application

1. **RESERVE PENS ONLINE** – Pen reservations accepted until pen limit of 6 pens is reached. Entry Fees \$25 per pen. Entries accepted on a first-come-basis until pens are filled based on online entries. Limit – two pens per person making entry. Only those sheep for which pen fees have been paid will be permitted to be penned. Individual exhibitors receive one (1) gate pass to the festival.
2. **ELIGIBILITY** - Pen of Three Commercial Carcass Competition is open to wether and/or ewe lambs, commercial or purebred. The weight of each lamb at entry must be between 115 and 150 pounds.
  - PENNING: Lambs to be penned by 9 a.m. Sunday. Pens assigned by Coordinator.
  - FLEECE LENGTH: #1 pelts - (3/8" to 1" wool).
  - GENERAL: No muzzles, drenching, cold water baths, ice wraps, blanketing, patch shearing, coloring, or fitting permitted, (including legs). Lambs may not be tied in the pen.
3. **HEALTH CERTIFICATES & INSPECTION** - All sheep will be inspected prior to unloading. Sheep originating from outside Wisconsin must be accompanied by a current certificate of veterinary inspection for interstate movement, to be submitted at check-in. Sheep showing any symptoms of contagious or infectious disease (sore mouth, ringworm, foot rot, pink eye, wool or club lamb fungus) will not be permitted to be unloaded or penned. All sheep entries must be identified with official, individual scrapie eartag ID.
4. **DRUG WITHDRAWAL** - Persons entering lambs in the Pen of 3 Competition will be responsible for observing withdrawal times for all feed additives, antibiotics, de-wormers and vaccines. Evidence to the contrary at any stage of this competition may result in disqualification of lambs and/or carcasses and may cause an exhibitor to be banned from future competitions and the forfeiture of any and all premium or payments.
5. **IDENTIFICATION** - All lambs entered must have birth dates recorded upon arrival. Only lambs born in exhibitor's flock in the year of event are eligible. Official scrapie/premise ID required.
6. **ALL PENS ASSIGNED** - Pens assigned by Carcass Competition Coordinator. Plan accordingly, no tack pens available. Pen cards will be provided. Entries accepted until limit of 6 pens is reached.

7. **FEEDING/CARE** - Feeding and care of lambs until they leave the grounds for harvesting is solely the responsibility of the exhibitor. Bedding (shavings) provided.
8. **JUDGING** - Lambs will be evaluated in their pens Sunday morning by a Judge appointed by the Pen of 3 Carcass Competition committee. Lambs are judged as a pen in both live and carcass evaluations.
9. **PAYMENTS** - Payment for lambs will be made by processor directly to exhibitor at the address on the entry form. Provide phone number.
10. **CONTEST RESULTS**
- LIVE PEN PLACING – Will be determined by the live judge based on an evaluation of all three lambs in the pen and will be announced at Wisconsin Sheep & Wool Festival.
- CARCASS PEN PLACING – Will be based on the average carcass placing of each carcass within a pen. Carcass pen placing ties will be broken by the average carcass index of lambs in the pen.
11. **AWARDS**
- A traveling trophy for the 1st place pen will be awarded at the next Annual Meeting of the Wisconsin Sheep Breeders Cooperative. Monetary premiums will be paid on both live and carcass pens. If the 1st place carcass pen is also the 1st place live pen, an additional premium will be awarded.
12. **RIGHT TO USE DATA** - The Wisconsin Sheep Breeders Cooperative reserves the right to record, photograph or otherwise utilize and/or share data and information from any and all Pen of 3 Carcass Competition entries.
13. **TRANSPORTATION** - Transportation of lambs to the processor will be provided by the Festival, arranged by the Pen of 3 Carcass Competition Committee, unless any disqualification shall cause an exhibitor to be required to remove entries from the Festival grounds.
14. **LIABILITY** - All Festival regulations shall apply.
15. **QUESTIONS** - Carcass Competition Coordinator: Lisa Paskey 608-669-3996, email: [lrpaskey@gmail.com](mailto:lrpaskey@gmail.com).
