Eau Claire County's 4-H Newsletter

18 U.S.C. 707

4-H is a community of young people across America who are learning leadership, citizenship, and life skills.

Hello 4-H families!

We are starting a new 4-H year. That means that it is time to re-enroll in 4Honline. Click [Sign In \(4honline.com\)](https://4honline.com) to enroll. Re-enroll early so that we can get you information on this year's events and activities. I are looking forward to a new year where we keep some of the things that we tried out last year like our Discover 4-H virtual program. (See page 5 for registration.) I am also looking forward to getting to do more things like we are used to in regular 4-H programming.

I have had several questions about "what are the rules for meeting?" The state 4-H office does not have specific guidelines for us to follow other than to follow current county public health guidelines. According to the Eau Claire County Public Health Department website, transmission rates are "high" and "Masks in indoor public spaces are expected for everyone ages 2+ regardless of vaccination status." Please keep your 4-H family safe by wearing a face covering indoors. If you don't want to wear a face covering, plan outside events.

The Leaders Association and Older Youth Council will begin planning our recognition banquet for November 13. If you would like to participate in planning, please send Rachel Hart-Brinson or Sheila Topper a message. We would welcome your participation.

We will hold an officer training led by OYC on October 4, location TBD. Officers from clubs across the county will connect, and learn how to perform their roles so that your club grows and prospers.

Lastly, record books are due to the office on September 14. Record books help young people set goals, reflect on their project learning, and learn record-keeping skills. They are also required in order to receive a scholarship for educational experiences. Forms and directions can be found here: [4-H Forms/Registration – Extension Eau Claire County \(wisc.edu\)](https://4-HForms/Registration-ExtensionEauClaireCounty(wisc.edu)) If you don't do it this year, plan for next year!

Let the 4-H year begin!!

Collaborate with Highground Veterans Memorial

The Highground Veterans Memorial Park in Neillsville, WI will be hosting a "WWII Pacific Theater" exhibit December 2021-March 2022. They could use our help, either as a club or an individual family.

1. Learn about the story of Japanese girl who folded paper cranes that are now a symbol used throughout the world for "peace." Fold Paper Cranes using the **instructions on pages 7 and 8**. Drop them off at the Extension office by Nov 1. They will be displayed throughout the exhibit in the traditional strings of 40 birds. Donating groups will be credited. (We have 40 to donate from camp, but I would love to send more.)
2. Create a fact sheet or poster display on the following: The experiences of the Japanese that were in America at the time of WWII (the Japanese internment camps that were in the U.S.), Japanese civilians that were affected by the bombings of Hiroshima and Nagasaki; U.S. military personnel that fought in the Pacific Theater (maybe someone from their hometowns). These would be displayed and would be a great way to connect with the Highground's visitors and learn more about this unique part of our history.

*If you need origami paper, please contact me. I have some in the office.

PEACE CRANES

Discover the story of Sadako Sasaki, a Japanese girl who became renowned for her incredible achievement of folding 1600 origami cranes despite suffering from terminal leukaemia caused by the radiation from the Hiroshima atomic bomb. This activity allows you to reflect on war and peace in the world today, whilst learning to fold origami peace cranes like Sadako did.

Sadako's Story

Sadako Sasaki was a Japanese girl born in 1943, in Hiroshima. She was two years old when the USA dropped an atomic bomb on Hiroshima, on 6th August 1945 as part of the second world war. Sadako wasn't directly injured by the bomb, but nine years later she was diagnosed with leukaemia, a type of cancer – a disease that was caused by her exposure to the radiation from the bomb. Nowadays most people survive leukaemia, but in 1954 most people did not. The cancer got worse very quickly and Sadako had to stay in hospital.

Her father told her a Japanese legend: if you fold one thousand paper cranes you will be granted a wish. Sadako started to fold them – she was tired and ill and paper was hard to come by, but she managed to fold 1000. She wished that she would get home soon and that her parents' debts from buying her medicine would disappear. Then she started to fold another 1000 but she only managed to fold about 600 before she died.

Sadako's friends wanted to make sure she was remembered, so they collected money to build a statue of her. In 1958, a statue of Sadako holding a life-size golden crane was built in Hiroshima Peace Park. It is called the Children's Peace Monument. At the bottom of the statue there is a plaque that says: 'This is our cry, this is our prayer, peace in the world.'

Sadako's story is now known around the world, and she has become a global symbol of hope, of child victims of war and of peace. People all over the world fold their own paper cranes and wish for peace in the world and that no more children will die or be injured in war.

Instructions

1. Start with a square piece of paper, fold it in half to make a triangle, then open out and make a triangle the other way. Open the paper flat again and turn it over, fold in half first to make a wide rectangle and then a tall rectangle. Make all the creases very sharp and precise. Open it out again.

2. Bring the 4 corners together, using the folds you have made to form a flat square shape. There will be one end which is open and where all the corners meet, this should be facing you.

3. Fold the side corners to the middle and the top corner down to make sharp folds. Open it out back to the square.

4. Lift up the top layer of the bottom corner and bring it high up, tuck the sides of that layer in to form a long diamond shape on top of a square behind. Turn over and repeat step 3 and 4 on the other side. You should now have a long diamond shape with 'legs' facing you.

5. Fold the top layer into the centre, turn over and do the same on the other side. Then do a 'book fold' – take your outside corners and bring the top ones forward and the bottom ones back. You are left with a shape that looks like a wolf.

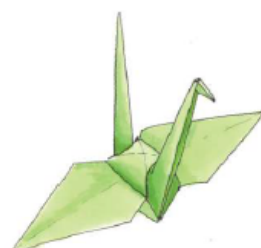

6. Turn the top layer of the wolf's nose up to the tips of its ears, turn over and do the same on the other side. These will become the crane's neck and tail.

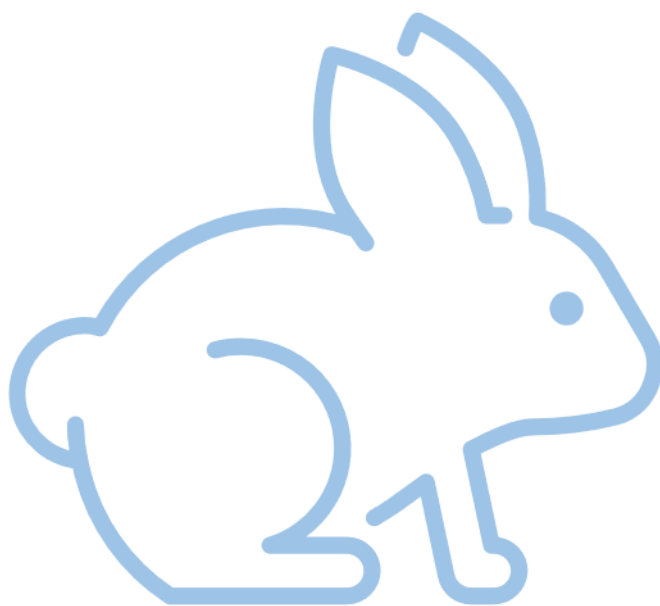

7. Now do another book fold. This folds the neck and tail inside the wings.

8. Pull the neck and tail out and redo the crease at the base of the crane to hold them in this position. Now fold one end down to form a head, and fold the wings down.

9. Open out your crane gently and it is ready to fly.

Ag in the Classroom Essay Contest

2021-2022 Essay Contest Information

Wisconsin Ag in the Classroom offers an annual essay contest for fourth and fifth-grade students. Each year the topic has specific lesson plans, activities and other resources that teachers, volunteers and homeschool parents can use to teach about Wisconsin agriculture. The topic is selected after the Book of the Year is picked. The 2022 Book of the Year is "Popcorn Country" by Wisconsin author and dairy farmer, Cris Peterson. You can order the book [here](#).

This year's essay contest topic is, *'What's Popping in Wisconsin? The value of corn to our economy!'*

Essay submissions must be 100- to 300-words in length and will be judged on content, grammar, spelling and neatness. This year students must make three references to Wisconsin agriculture and a new essay grading rubric was developed. The essay contest rules, lesson plans and sample classroom activities are located below. **Essays are due April 1, 2022.**

The contest is sponsored by We Energies, Wisconsin Soybean Marketing Board, Wisconsin Corn and the Wisconsin Farm Bureau Foundation.

Nine district winners will be selected with one being chosen as the state winner in May. Each district winner will receive a classroom presentation for his or her class. Last year, more than 1,400 students participated in the contest.

Questions about the book or essay contest can be directed to Wisconsin Ag in the Classroom Coordinator Darlene Arneson at darneson@wfbf.com.

4-H Clubs to Create Newest Cedar Crest Ice Cream Flavor: Entries Now Being Accepted

Madison, WI [August 1, 2020] — [Cedar Crest Ice Cream](#), Cedarburg, Wisconsin, and the [Wisconsin 4-H Foundation](#) have teamed up again to present the “Cedar Crest Ice Cream 4-H Flavor Contest” for Wisconsin 4-H clubs. More than 1600 clubs are eligible to create and submit a flavor ‘recipe’ with the top clubs named as finalists, and the top flavor produced for summer 2022.

According to Brenda Scheider, Executive Director of the Wisconsin 4-H Foundation, the contest is a great opportunity for 4-H youth to work together to develop and name their flavor. “The most exciting part of the contest is the winning flavor will be available through Cedar Crest beginning next July.” The annual contest has already yielded popular flavors including Deep Woods, created by the Baraboo Valley 4-H Club and Wisconsin Campfire S’mores, created by the Springbrook 4-H Club of New Richmond. This year’s winning flavor was Tractor Tracks, created by the Country Clover 4-H Club in Green Lake County.

A panel of ice cream experts chosen by Cedar Crest judges the entries. The company manufactures more than 80 flavors of ice cream, along with frozen custard, sherbet and sorbet at its Manitowoc, Wisconsin, plant, and distributes products in five states. Many of the flavors now produced by Cedar Crest, including Wisconsin Campfire S’mores and Big Muddy, are a result of the contest.

More information and the entry form are available at www.cedarcresticecream.com. Entries are due by November 12, 2021. The winner will be announced in December 2021.

Record Books

Record books will be due to your club leaders in August!

Historically, an achieving 4-H member:

1. Attended at least four club meetings
 2. Presented a public demonstration
 3. Presented a public exhibit
- Submitted a completed record book

The Leaders Association met in June and has voted to waive the requirements of achievement except submitting a completed record book. For the 2020-2021 4-H Year, the number of meetings, a public demonstration, and public exhibit requirements are waived.

To be an achieving 4-H member in 2020-2021:

1. ~~Attended at least four club meetings-~~
 2. ~~Presented a public demonstration-~~
 3. ~~Presented a public exhibit-~~
- Submitted a completed record book

Club leaders are to turn record books to UW Extension by Tuesday, September 14 for county level nominations and 3rd through 5th grade and 6th through 8th grade record book awards. A nomination form should be in each submitted record book.

Record book forms can be found at <https://eauclaire.extension.wisc.edu/4-h-forms-documents/>

Positive Youth Development Media Collection

Borrow Resources from the PYD Media Collection

The Positive Youth Development (PYD) Media Collection is a library of educational tools that can be borrowed from anywhere in the state. The collection has a new home and a new checkout system.

Visit the PYD Media Collection [website](#) to see what is available. You will find displays, skillathons, learning lab kits, interactive CD ROMs, DVDs, and more. Project materials currently include horse, dairy, livestock, small animal, and some arts. We have kept the most used and current materials. Most outdated materials have been removed.

There is no cost to order materials for Extension-sponsored programs. Non-Extension user groups must pay for outbound and return postage plus a \$10 handling fee.

4-H Thriving Survey

4-H Thriving Survey Coming your way!

This fall, Wisconsin 4-H will be inviting members (ages 13-18) to complete a survey about their 4-H experience. The survey was developed by National 4-H Leaders (<https://helping-youth-thrive.extension.org/>) and will help Wisconsin 4-H to learn about the quality of our programs. The information will help to show how 4-H helps young people to learn new things, develop leadership skills, manage goals, set high personal standards, create positive academic attitudes, and other skills that lead to long-term success in life.

The survey will be sent to all Wisconsin 4-H members by e-mail in the first week of October. Youth who complete the survey will be entered into a raffle to receive gift cards, scholarships to 4-H events, and other prizes. The answers from the survey will help us to figure out where our program is doing well and where we could grow, plus provide a way to tell the 4-H story in Wisconsin and let everyone know HOW GREAT 4-H is! We want to tell you about this now, so that you'll know why you're going to get an e-mail with the survey.

For more information on the 4-H Thriving Model and some of the results from the 2019-2020 4-H Thriving Study in Wisconsin, visit [4-H Thriving Model – Wisconsin 4-H](#).

Please keep an eye out for messages and more information about this important survey.

Virtual Learning Community Opportunities to Teach & Lead

*Virtual Learning Community – Opportunity to Teach and Lead in 2021

Across the Division of Extension we have been learning and improving our transition to virtual spaces. You haven't heard from the Virtual Learning Community since our Summer Virtual Learning Community, but Positive Youth Development in virtual spaces has continued to grow and develop. Since summer we've been building out virtual opportunities and had over 500 people registered for our first ever Virtual Fall Forum AND hundreds of volunteers registered and participated in our Virtual Annual Leader Trainings. In order to continue building out a community of learning around the state, **we need Youth Leaders and Adult Volunteers!**

Below are some commonly asked questions:

Why are we inviting YOU?

We have BIG DREAMS:

- provide high, quality virtual opportunities for youth and families across the state, **Kindergarten-13th Grades and Adults**
 - involve **YOUTH and adult leaders, staff and community partners** in facilitating planned activities
- provide **additional promotion** for programs that are being offered across the state

What type of content are you looking for?

We are looking for project area content, leadership trainings and open spaces for youth to engage and connect around other topics/areas of interest. If you have an interest or passion and are willing to share it with others, we'll help make it work in a virtual space.

Does the session need to be new?

Nope. We know that many participants were just getting to know the calendar and as they did never attended all the sessions that might have interested them. Also, if you're like us, you've been learning and tweaking. If you have a program that you have already offered and are willing to offer it again, please do!

Can I submit more than one session?

Absolutely! We all know that virtual programs are most effective in 40 minutes, so if you have too much content for one session, a series is great. We've also learned from our evaluation that participants enjoy seeing each other more than once and recognizing faces and names.

Is there a deadline to submit?

Nope. Programs are needed ongoing! Submission dates are weekly. After you submit, sessions will be reviewed by a committee of youth leaders, volunteers and staff using our Positive Youth Development learning review process adapted for virtual learning.

I would like a little more information about Virtual Learning Community before I submit. Where can I go?

Fair enough. With the lessons learned, we have a new submission process, facilitator support resources, a uniform registration process, evaluation process and a plan for promotion and marketing. Our website can be found at <https://4h.extension.wisc.edu/virtual-learning-community/>.

— Continued on next page

Okay! I'm convinced. Where do I submit?

With the easy to use back button, you can explore the submission form to learn a little more about the types of sessions and content.

Our committee will respond to submissions with a follow up e-mail or call to the primary contact within a week.

In closing, as we wrap up 2020, we want to celebrate so many of you for being a part of our programming. It has not been an easy year, but we appreciate all of you continuing to engage and “learn by doing.”

Experience Upham Woods!

If you or your club enjoys being outside and wants an experience a little further from Eau Claire, you could consider traveling to Upham Woods.

Check out some of the things other clubs and groups have been doing in the August 2021 newsletter: <http://fyi.extension.wisc.edu/uphamwoods/woods-writings-newsletters/>

There are links for registration for other experience days. Let Rachel Hart-Brinson know if you have questions or want more information before you register.

Day Visits from 4-H Groups

We were so happy to see a few of our regular summer 4-H visitors out this month for day visits onsite; camp is always better when it's filled with the sounds of youth learning, exploring, and having fun!

- **Walworth Co. 4-H** was a great group to go canoeing with, tackle some Peanut Butter Mountain team building, and hike around Blackhawk Island. It was great to see the group bonding and they even got to close out with a campfire.
- **Upham Neighborhood Camp (includes Columbia, Sauk, Juneau, Monroe, Richland)**: Although this group was only here for a day, they managed to have a ton of activities. They had archery, arts and crafts, Scales, Scutes, and Skins, canoeing, and even a Blackhawk Island hike.
- **Jefferson County 4-H**: This group participated in an outdoor survival program where they discovered the necessities for survival and built shelters. In the afternoon the group embarked on a canoe trip around Beaver Island and enjoyed the hot summer day on water!

Special thanks to these groups for making the effort to bring some Upham-style summer camp to their 4-Hers!

Preparing for the New 4-H Year

The 4-H year officially begins in October each year. Even though the program year begins in October, 4-H enrollment begins in September. Counties in Wisconsin usually have an enrollment "deadline." This deadline can be the cutoff for determining who can represent 4-H at certain events.

No matter the date of your local deadline, re-enrolling in 4-H through the 4-H Online portal as soon as possible ensures that you receive all 4-H communications and other important program news.

Adding, Dropping, or Keeping Projects

Enrollment is the perfect time to add or remove projects in your 4-H Online profiles. 4-H members usually continue with the same projects from the year before, and it's pretty normal to add one or two new ones as well! First year members are recommended to only select one or two projects for their first year. The second year of membership is a great time to pick between three to five total projects.

Work with your youth to see what projects they liked, didn't like, or want to learn more about. There is nothing wrong if your member decides to keep the same projects from the year before!

Reminder: 4-H members in grades K-2 can only be signed up for the Cloverbud project!

Member Goals

On the opposite page, 4-H members are being challenged to write their personal 4-H goals for the new year. Setting goals can help with project selection, and it should help members plan out a path to success in the new 4-H year. See what goals your youth has chosen for the new 4-H year and identify ways to help them achieve those goals.

Family Member Goals

Have those in your family set goals as well! Goals might include attending more club meetings, helping at 4-H activities, or participating in certain county events. Try to find ways to keep 4-H as a togetherness activity!

Club Goals

Each year, 4-H clubs complete a Charter Renewal form. This form is usually completed by adult leaders and youth officers, but the charter might be talked about at a club meeting. Clubs are tasked with identifying club goals each year. Have your family brainstorm some S.M.A.R.T. goals for the club to strive for in the new year, such as planning an outreach event with a local community group or adding more welcoming activities for new families.

Have a minute? Please provide feedback by filling out this [5-question survey](#)

Setting Goals

Every year, many people create New Year's Resolutions. These resolutions are **goals** for the new year. Fall is the beginning of the new 4-H year, which makes it the perfect time to set goals for about what you want to do!

S.M.A.R.T. Goals

Goals are more likely to be successful when you give yourself something specific to aim for. Any of your resolutions for the new 4-H year should be S.M.A.R.T.

Specific: Goals should be well defined and clear.

Measurable: This will help you know when you've been successful.

Achievable: Be realistic! Think of things that will challenge you but are still doable.

Relevant: Your goals should be important to you. Set goals that you want to complete!

Timely: Give yourself a specific time frame to complete your goals.

What are **your** goals?

Use this table to write goals that you want to accomplish in the new 4-H year. An example has been done for you. Notice that the example is S.M.A.R.T. See if you can find what parts of the goal are specific, measurable, attainable, relevant, and timely.

Source: "Goal Writing Worksheet," Iowa State University Extension and Outreach, August 2013. Adapted by Ben Hoppe, Brown County 4-H Program Educator, UW-Madison Division of Extension.

Tip: Use verbs in the action column. Often, 4-H goals are focused on things you want to **learn**, results you want to **earn**, or things you want to **do**.

Club Minutes

August 2021 Meeting Minutes Pleasant Valley Clovers

The meeting was called to order by Allison and pledges were said. There were no birthdays in August. Roll call was taken by saying your favorite ice cream flavor. The motion to accept the secretary's report was made by Emma and seconded by Connor. There was no treasurer's report.

For old business, reports were given on County Fair and Wisconsin State Fair. We talked about Cleghorn Park Memorial Garden Maintenance and Harvest Fest which will be September 11-12. Park clean-up will be at 7:00 am Saturday and Sunday mornings and 5:00 pm Sunday. The parade is at 12:30 on Saturday and our theme will be "Join our Herd" and will hand out string cheese. Kids games are Saturday from 1-3 pm and we will serve pie and ice cream 1-6 pm on Saturday as well. Please sign up to help. We talked about the Rock Swap concessions (August 28-29). We need one family to sign up for each shift. There was no other old business.

For new business, we said congratulations to our graduates Teresa and Sam. We also discussed our September New Member Meeting Plans. We will be having a potluck at Wathke's on the 19th at 4pm. We will also do a hayride and s'mores. The motion for the club to buy supplies for s'mores was made by Emma and seconded by Duane. We also talked about ideas for next 4-H year. Members are encouraged to help Pleasant Valley 4-H club with staining picnic tables at Cleghorn Park on Thursday, Aug. 19th at 7 pm. There was no other new business.

For youth leaders' reports the next meeting will be August 30 at 6:30 pm. For the adult leaders report we were reminded about the Charter Renewal. The next County Adult Leader's meeting is Sept. 14 and record books and historian books are due for county awards. Adults are needed to serve on the Executive Committee. Let Wendy know if you are interested.

We then had our officer elections. Our president will be Allison Duerkop, Vice president will be Lindsay Duerkop, Secretary will be Camryn Kortbein, Historian will be Emma Wathke, and Rosie Reck and Colin Staads will be co-song and game leaders. We had a tie for Treasurer between Cierra and Hannah so we will revote in September.

Colin then had a demonstration on his Lego racecar and the motion to adjourn the meeting for record books and the garden cleanup and games was made by Emma and seconded by Hannah.

Respectfully submitted by Lindsay Duerkop

Where are your club's minutes? Why aren't they here? They can be!

Email them to Andy at Andy.Heren@co.eau-claire.wi.us by the end of the month to have them included in the *Clover Leaves*!

August 2021 Minutes – Eau Claire Clovers 4-H Club

The Eau Claire Clovers 4-H Club July meeting was held at Lutheran Church of the Good Shepherd, on August 22 at 4:00 P.M.

The energizer was led by Beth and was a game called “Never have I ever”.

Beth then called the meeting to order and pledges were said. There were no birthdays this month.

Members were sent the secretary's report from July before meeting to review. The secretary's report was motioned by Miles and seconded by Marshall. The treasurer's report was read by Josie and was motioned by Maddie and seconded by Kaitlyn.

The spirit cup was given this month to Julia and Hannah for helping out with the setup for the meeting.

In old business, everyone was thanked for making record book pages for the Club record book. Patricia will check the record book and let anyone know if there are any missing that still need to be done. We discussed the fair. Marshall shared that he loved the Fair Olympics and Beth spoke about working at the OYC food stand and enjoying having face to face judging again. Old business was motioned by Marshall and Seconded by Miles.

In New Business, the parents were reviewing record books. It was announced that if you didn't bring your record book in, you need to return yours by Friday. You can drop it at Cindi or Kayla's house. Kayla and Cindi will work with Francine to formally review the record books to be sent on to the 4-H leaders for nomination for scholarships etc.

Sign ups for monthly meetings, demonstrations were passed around. Beth mentioned that there is an OYC meeting scheduled for August 31 and is open to all members 7th grade and up.

The Club will have a fundraising opportunity at Culver's on Golf Road on September 27. We need to have 250 people come and say they are present for our club to be counted for 250. Beth will check to confirm this. A sign up sheet for this was also passed around.

Fall Forum is on November 6 at Green Lake Conference Center. Cindi, Kendall and Beth encouraged everyone to go to the conference as it's a really great time and you learn a lot and about other 4-H members across the state.

County Awards Banquet is on November 13 at the Pleasant Valley Community Center.

We talked about Fundraising. We need to find some kind of fundraising opportunity that will help fund the club. Sarah will investigate how the fundraising program through Saver's works and Kayla will investigate fundraising by selling Kringles.

Members that were interested in serving as an officer came up and told everyone the position they were interested in and a little about themselves. In a couple of days, ballots in the form of google form will be sent out to the membership. The votes will be tallied and everyone will be notified of the new executive.

The new business was motioned by Maddie and seconded by Miles.

The leader's report was sent out through Facebook. Francine reiterated that she will need some more parental help this year, due to the need for helping with her father in Jamaica. The Leader's report was motioned by Marshall and seconded by Miles.

The meeting was adjourned and after, we made fleece blankets for cats to be delivered to Eau Claire County Humane Association. Thanks to Sara for taking the blankets.

Thank you for members that signed up for volunteer work at fair and Farm Tech Days, but more are still needed. A reminder that plat books are for sale. And Beth talked about her experience geocaching at the last meeting. The old business was motioned by Maddie and seconded by Neveya. In the new business, members should start their record books. The silent auction basket has been completed. Members have a chance to win a basket or other prizes during the fair. Fair tags were sent out to members. And the reminder to all competing members we wish you luck at this year's fair. Are you interested in becoming an officer? Please send an officer's letter of interest to Francine to be considered for next year's officers. reminder to please complete your demo if you haven't completed one yet. The new business was motioned by Neveya and seconded by Kendell. Kendell motioned the adjournment of the meeting and Neveya seconded it. Beth then adjourned the meeting. Cupcakes were given to members at the end of the meeting to celebrate graduates. (Thanks btw ;))
