Club Level Awards -

Club Leaders can identify Club Awards for county recognition. Club leaders need to complete the nomination form; the '4-H Club Recognition Self Nomination Form' is found on the county website and is also mailed to club leaders in August. Applications for club recognition and super club awards are due the first Monday in October. Along with the nomination form, the club should also turn in the club's Historian Book, annual report, or other club book or video or format that showcases why/how the club should be recognized---. The areas recognized through club level awards are: Health and Safety, Community Service, Cloverbuds, Conservation, and Recreation.

Each club's report/book/video will be reviewed by the Banquet Committee, and winners in each category will be selected. A club may receive an award in more than one category. Certificates will be given for selections in all categories.

BE CREATIVE!

Super Club Recognition is awarded to each club that submits a book/report in a special area, determined by the Banquet Committee. These awards receive a certificate of recognition, based on an area that the committee feels the club has really excelled in during the past 4-H year. The club may be recognized for a specific event they created, an event attended, etc. Each club who turns in a book/report for the Club Activity Reports/Super Club Award will receive recognition in this division.
