Discovering 4-H Box Series: K-2nd Grade

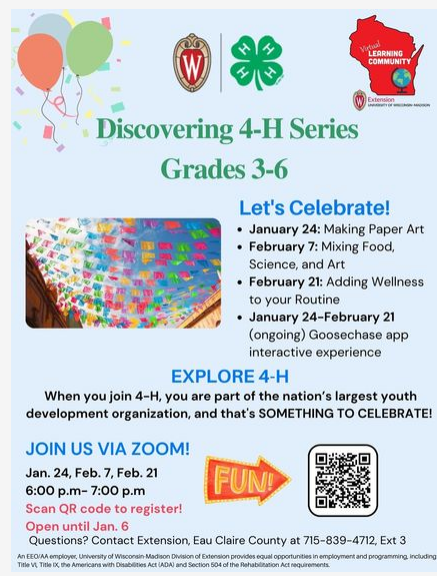

4-H means Head, Heart, Hands and Health. Explore what each 'H' means with fun activities. Try activities at home or complete them together with us.

Register today! Registration is open NOW and continues until January 6. By registering, you receive a box with supplies, a supply list, and connect information for the interactive zooms.

Virtual sessions will be on the following Tuesdays at 6PM. Recordings of the sessions will be available for 30 days afterwards.

It is important to note, youth may need adult supervision with some of the activities.

Discovering 4-H Series: Grades 3-6

In the 4-H program we celebrate ourselves and others. If you're a 4-H member, invite someone to our party. If you haven't, we hope you accept our invitation to this party!

The "Let's Celebrate!" series will include paper art, food science, wellness, and interactive games over three sessions.

You will learn some fun science and art skills as well as how to make sure we are taking care of ourselves and others. It's all a part of our WI Movement!

4-H Tri-County Performing Arts Fest

Speaking in front of people is a skill and it takes practice to do well! All levels are welcome to participate. Put together a skit, a play, or a musical ensemble of 5 people or more. Or, perform a duo or a monologue. If you're more of a factual type, write your own speech or any number of other options. See how you or your club friends can participate.

The best performing groups in Drama and Music get a \$100 gift certificate. Best individual performers for each county get a \$20 gift certificate.
