Global Exploration Series

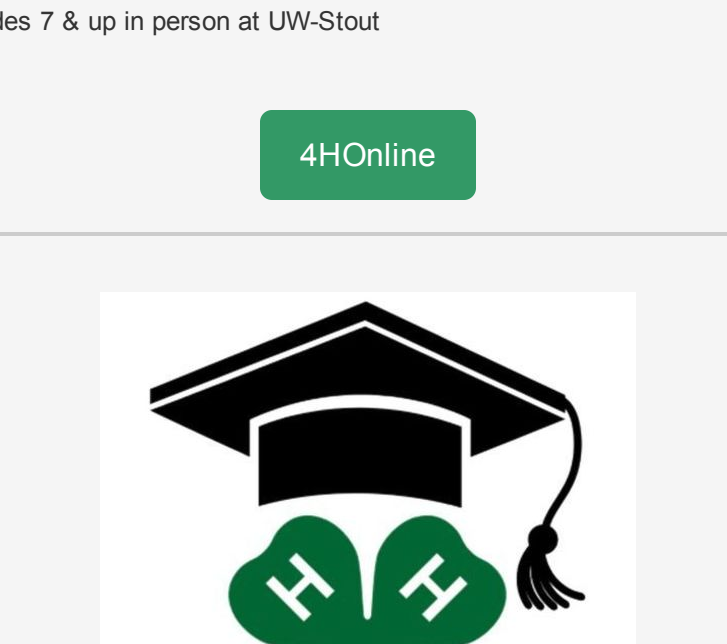

The Spring Global Exploration Series is an opportunity to visit countries around the world from the comfort of your own home. Be curious, ask questions, and have a conversation with UW-Madison international students to develop a better understanding of our world. This opportunity is open to youth of all ages and adult volunteers. Don't miss out on this spring's line-up featuring six countries!

The first session is Thursday, February 16 starting at 7:00 PM. Other dates are February 28, March 16, March 28, April 13, and April 25.

Program goals are

- To gain a deeper understanding and appreciation of other countries and cultures.
- Reflect on important aspects of your own culture.
- To increase curiosity and desire to explore the world.

2023 Wildlife & Woods Virtual Classes

Wildlife and Woods is Wisconsin 4-H's statewide natural sciences, wildlife, and forestry monthly, virtual event.

Outdoor enthusiasts connect with other 4-H youth of all ages from around the state. Together, we explore the natural world with a special focus on wildlife, wildlife habitats, and trees. Participants learn about wild places across the United States following the 4-H Wildlife Habitat Education Program (WHEP) and the 4-H Forestry Program. Materials are designed for all ages and knowledge levels, so everyone can benefit. Since the sessions are co-presenter by youth and adult leaders, the youth leadership opportunities are plentiful.

Mark your 2023 calendars for the three Wednesdays, 7-8 pm.

Summer Academy - Exploring Your Why

Wisconsin 4-H and UW-Madison Extension are excited to announce a new opportunity: the Summer Academy!

This program is open to any 4-Hers in grades 7-10 and will be held from June 19-22, 2023 on the UW-Madison campus. Students will be able to experience life in a residence hall, with the chance to build lifelong friendships with other students from across Wisconsin. Registration opens in April.

The theme of the inaugural Summer Academy is "Exploring Your WHY," with the goal of providing students the resources to discover pathways to their futures. There will be chances to learn about higher education from UW-Madison and Madison College, as well as career discovery and networking opportunities.

Registration opens in April. Keep an eye on the Summer Academy website using the button below for more information to come! We can't wait to see 4-Hers from Eau Claire participate this June!
