

## Eau Claire County 4-H

# June 6, 2023

### Eau Claire County 4-H Leaders Association

The next meeting is Tuesday, June 13, at the Eau Claire County Extension Office at 227 1st Street W, Altoona. The meeting begins at 6:30, with the Executive Committee meeting at 6:00.

Please join us for a conversation regarding how we grow Eau Claire County 4-H. Youth and adults are invited to hear about our enrollment numbers and new types of clubs that will be coming to EC County. We want you to be part of the conversation! We will also be approving next year's budget and forming the nominating committee for next year's leadership team. Please join us.

All meeting information for this year can be found in this [Google folder](#).

### Welcome Katy Haworth, Eau Claire County 4-H Summer Intern!

We are excited to introduce Katy Haworth, our 4-H Summer Intern! If you have been around Eau Claire County 4-H over the past years, her face and name may be familiar. Katy, her older sister, Emily, and their parents were active in EC County 4-H for many years.

Katy says, "Hi all! I'm so excited to have a more direct role in our county's 4-H program this summer. I've gained so much from this organization over the past 13 years and while summer is short, I'm so thankful for the opportunity to be behind the scenes and give back to the program I've gained so much from over the next few months."

And we're so glad to have Katy with us this summer!

### 4-H Summer Camp is This Week

Rachel will be gone for the rest of this week having fun at 4-H Summer Camp. Watch the [Eau Claire County 4-H Facebook page](#) for photos and updates.

### 4-H Day at the Eau Claire County Fair

Please sign up to staff a project table to promote 4-H and practice your Youth Leadership. Adults are welcome to sign up, too!

This is our opportunity to showcase the awesome program that 4-H is.

Let Rachel know if you have project table suggestions.

### Design a Butterfly Contest

It's pollinator month! Wisconsin 4-H and our 4-H Teen Pollinator Ignite Project have teamed up with our friends at the WI Extension Horticulture Program to raise pollinator awareness through a Design a Butterfly contest. It is open to all ages. This would be a fun activity for clubs, summer camps, and more. Even if it is after the artwork submission date, it could be a fun summer activity to explore pollinators. **The artwork and entry forms are due by June 30.** The entry form can be found by clicking the [green button below](#).

If you are really interested in pollinators, UW-Madison Extension Horticulture also has activities at their website. To see them, click the [red button below](#).

## Youth Tractor Safety

### Youth Tractor Safety Courses

It's that time of year when youth think of tractor safety classes. There is now a website that lists all of the classes in the state. The closest locations to us are CVTC (June 12-15), Eleva Strum HS (June 19-22), Cadott HS, (June 5-8), and Bloomer HS (June 5-8).

The Wisconsin Youth Tractor & Machinery Safety Certification Program is designed to meet requirements established by the US Department of Labor, pertaining to special provisions made for the employment of youth ages 14-15 on farms not operated by their parents. In addition, Wisconsin Act 455 provides specific provisions for tractor operation by 12-13 year olds.

### 4-H Project Curriculum Library

We have many resources available for most project areas. Click the [green button below](#) for a list of what we have on hand to loan out. It's a great way to get more information and ideas on your projects.
