

Cloverbud Record Book Instructions

DO NOT INCLUDE THESE INSTRUCTION PAGES WITH YOUR FINISHED RECORD BOOK

- 1. Please complete these pages***
- 2. Place them in a binder**
- 3. Return them to your club leaders for review by the due date they set (usually in August)**

***Notes:**

- Your child may fill them out on the computer and then print or you may print them off and complete by hand, but the physical act of writing or drawing is especially important at this developmental stage.**
- The Cloverbud may draw pictures or write words. They may narrate and someone may write the words down.**

We encourage filling out record books for the following reasons:

- It teaches life skills of good record keeping.**
- Encourages reflection on the year which enhances project learning.**
- After 5th grade, record books are necessary to receive county awards**
