RUSSELL CORNER BADGERS

RCB has roughly 17 families and 35 youth members, ranging from cloverbud age to older youth. Many families live in the Osseo & Augusta area so we alternate our meeting location each month. We try to meet outside, such as at the park, during the summer months. Our monthly meetings usually consist of demonstrations, business meeting, education opportunity and/or activity. We like to share a light meal or snack together at the beginning of the meeting which is provided by 2-3 families each month who have signed up to bring. We emphasize community service and opportunities to give back to local groups such as nursing homes, assisted livings, veterans, the churches who provide our meeting locations, food pantries, etc. We like to have fun and try to schedule 2-3 activities each year which vary based on youth interests.
